

Date: March 11, 2022 from 1:30 pm to 5:30 pm

Place: Room C120, PER 21, University of Fribourg, Bd de Pérolles 90, 1700 Fribourg OR Online (Zoom link will be sent after registration)

Aims:

- 1) Provide an overview of the projects on the topic of psychedelic research at the University Fribourg.
- 2) Make psychedelic research at the University Fribourg more visible.
- 3) Provide an opportunity to exchange between scientists and students on psychedelic research.
- 4) Initiate and strengthen collaborations.

Audience:

Students, scientists, clinicians interested in psychedelic research

Costs: the workshop is free, but we request a registration.

Registration: chantal.rodriquez@unifr.ch

Physical presence will be depending on the COVID-related restrictions at the time of the workshop.
