"Venture Leaders Mobile is a valuable opportunity for startups to connect to investors, discover interesting business development opportunities and exchange with the other founders is exciting and makes this program so unique."

### Those eligible to participate are:

- Founding and managing members of startups based in Switzerland;
- Fundraising and ready to grow business internationally;
- Building a global technology startup in telecommunications and connectivity, digital health or fintech.

Venture Leaders have a clear-cut goal. They envision themselves as global players and want to take the first step towards their global expansion.

The Investor and Business Development Roadshow to the MWC allows for a deep-dive into the global technology scene and includes public and private pitch sessions, high-level networking opportunities, company visits and individual business development activities.

Venture Leaders Mobile is organized by Venturelab. The program with a value of CHF 10,000 is offered free of charge to the winner's thanks to the support of Huawei Switzerland, Swisscom, and VISCHER
