BCG Switzerland

# Beyond breakfast.

Geneva, March 24, from 10.00 until 12.30 hrs.

“The early bird catches the worm” as they say, or in this case a nice breakfast!

Are you curious about consulting and want to get to know us in a fun and informal way? Join us for breakfast at our office in Geneva and get to know BCG, our work and life culture!

When starting your career at BCG you have the opportunity to work on various projects with clients from different industries.

On this day, our BCG'ers will happily tell you all about their work, their background, the opportunities they have, and what they like most about working at BCG!

If you like what you see, you can also ask all your curious questions about the application process directly to our recruiters.

We invite all students who self-identify as women, studying at a Swiss university (3rd semester or up) in all levels Bachelors, Masters, and PhD in all fields of study.

Please apply with your CV and transcript of records from past and current studies either via the QR Code or click on apply now. Apply no later than March 12.
