## Consulting 101 with BCG

Have you ever wondered how to get started in the consulting industry and what a day-to-day looks like for a consultant? Consulting is a challenging and rewarding career path, but it can be difficult to know where to start. During this live stream with BCG Switzerland, we will cover topics such as communication skills, client relations, and project management to get a first insight into the work that we do.

Whether you're just starting out or looking to enhance your consulting skills, join us and hear from two of our own experienced consultants on how their academic background has led them to a career at BCG, and learn the foundational skills needed for a successful consulting career.

### Why should you join the live stream:

- Learn what skills from your studies you can apply in this working environment
- Get to know 2 of our consultants
- Gain insight on foundational skills needed for a career in consulting
