18:00	Closure	

The Masterclass in Colorectal Surgery is an intensive one-day Course intended to provide in-depth and interactive learning of topics paramount to the safe practice of colorectal surgery. It has been designed with Janindra Warusavitarne, St. Marks London & Education Chair of the European Society of Coloproctology. As such, this Colorectal THRIVE Masterclass is ideally suited to prepare for the UEMS EBSQ Coloproctology Board or to refresh knowledge. The Masterclass in Proctology and Pelvic Floor Diseases is listed as an official university course by the University of Fribourg.

The course can be booked independently of the main congress. Non-editable pdf copies of the presentations are included.

**Masterclass in Proctology and Pelvic Floor Diseases****7 CME credits****Sun 30.03.2025****09:00 - 18:00***Chairperson:*

09:00 - 09:35	Sexology and management of urogenital function in coloproctology and pelvic floor patients	Francesco Bianchi Demicheli, Geneva - CH
09:35 - 10:10	Step by step proctology techniques from a Master of his Art	Bruno Roche, Geneva - CH
10:10 - 10:45	The Crohn perineum - state of the art management of abscess and complex fistula	Janindra Warusavitarne, London - UK
10:45 - 11:05	<b>Coffee break</b>	
	<i>Chairperson:</i>
