Saturday 7 March 2026

University of Fribourg – CH
Regina Mundi, Rue P.-A. Faucigny 2,
1700 Fribourg

Information and registration on uxcampfribourg.ch

UNI FR
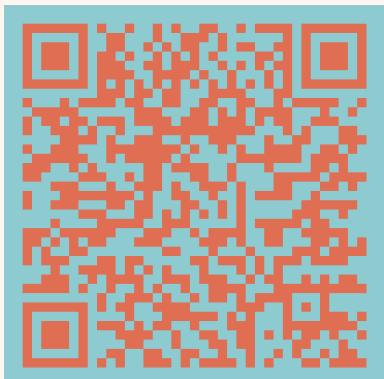

What is a UXCamp?

An event created by the UX community where anyone can propose a topic, lead a session, or simply chat over coffee. The session program is prepared on the morning of the event. So bring your ideas!

We are focusing specifically on the use of AI in UX: its promises, limitations, and prospects. All other topics are of course welcome!

No "official" speakers, just passion, ideas, and rich debates!

Program

From 08:30 Registration
09:00-09:45 Welcome
