GUEST LECTURE
PROF. DR. ROBERT MARZEC
PURDUE UNIVERSITY

TECHNICS OF
ALGORITHMIC WAR:
NARRATIVE
COMPRESSION AND
ENVIRONMENTAL
ENCLOSURE

Wednesday, 13 May 2026
15:00–17:00, Room tba soon

The lecture forms part of the course *(Un-)Sustainable Narratives*, taught by Michael Boyden. It has been made possible through support from the English Department's Special Activities Fund. The event contributes to a broader collaboration on ecowar fiction with the University of Zürich. The lecture is open to all; registration is required
