

Cell Analytics Facility

Introductory Seminar

19th February 2018, 12h15 – 13h00

Seminar room 001, PER17 (new building)

We would like to invite you to this presentation to inform you about the new “Cell Analytics Facility” at UNIFR (mainly Flow Cytometry instruments).

We will present you the following points:

- *The new facility and services*
- *Instruments of the facility*
- *Training/Access to these instruments*
- *New booking system and website*
- *Important information about the facility: policies, fees for each instrument, facturation, booking and cancellation,...*

And much more!!

We are looking forward to see you there!
