

Digital (R)evolution

The business environment is digital! The growing connectivity of people, machines, and businesses has changed our daily business. In order to keep up and stay competitive, companies must adjust to these demands by digitizing their processes and business models. In this course, you will get a digital mindset to embrace innovation and a toolset to bring in fresh ways of thinking.

Digital (R)evolution - 04th - 05th September 2018
