

Multicolor Flow Cytometry

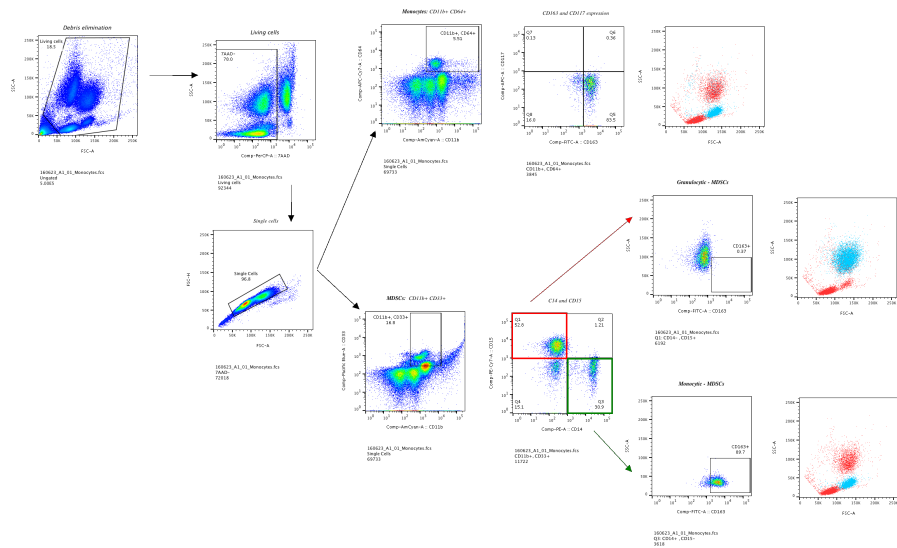

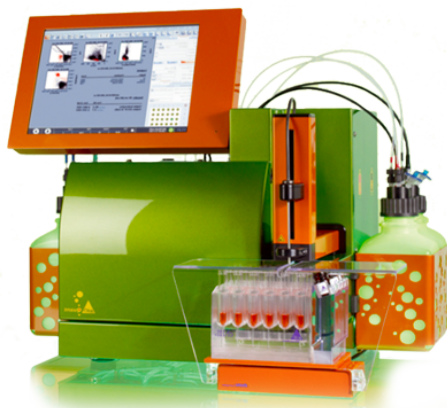

19th September 2018

Seminar room 001, PER17 (new building)

Take the opportunity to learn more or refresh your knowledge on multicolor Flow Cytometry

A seminar and a workshop, given by an expert from Miltenyi Biotec, will take place at UNIFR the 19th September 2018.

- **12h15 – 13h15:** Seminar on Multicolor Flow Cytometry on MACSQuant instrument by Stefan Schnell from Miltenyi Biotec.
- **13h15 – 14h00:** *Lunch (organized and free of charge for registered participants of the workshop)*
- **14h00 - 16h00:** Workshop on Flow Cytometry panel design

The seminar and the workshop are open to everyone and free of charge.

If you want to participate to the workshop, **please register until the 10th September** by email to cellanalytics@unifr.ch

We are looking forward to see you there!
