

COMSOL Geoscience Day

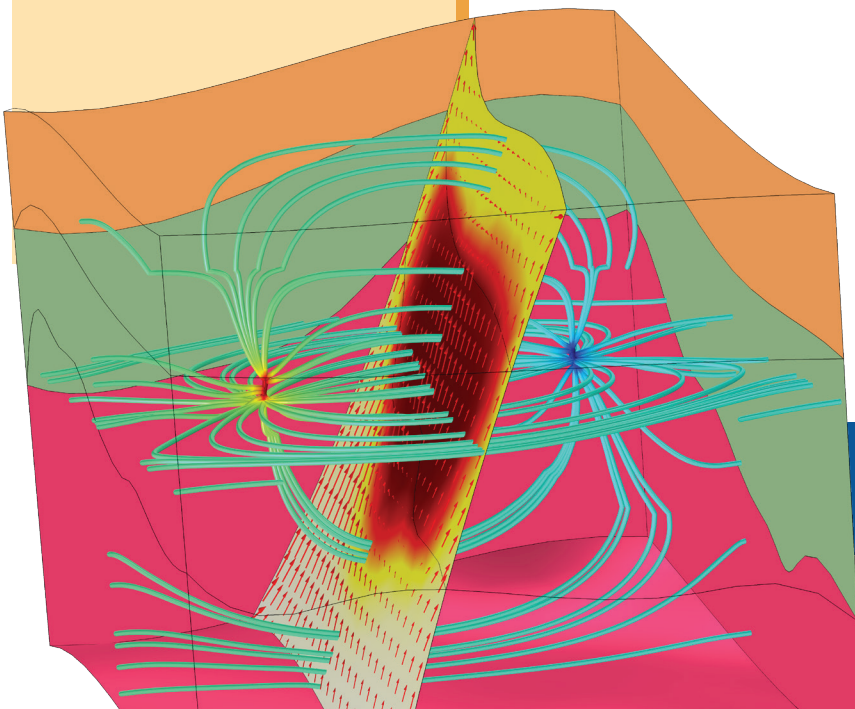

Monday,
May 27
8:30–17:00

LOCATION

University of Fribourg,
Department of Geosciences

Explore simulation of
hydrology, geomechanics,
geothermics and geophysics
using **COMSOL Multiphysics®**

- Meet the developers
- Invited speakers
- Product demonstrations
- Minicourses

FREE REGISTRATION

comsol.com/events/special/64481

 **COMSOL**

MINICOURSES

- Subsurface Flow and Transport
- Geothermal Applications
- Geomechanics
- Geophysical Exploration

INVITED SPEAKERS

- Jonas Wicky, University of Fribourg
- Stefan Scheidler, University of Basel
- Kerry Leith, ETH Zurich
- Landon J.S. Halloran, University of Neuchâtel
